Experience Certificate

This is to certify that **Dr. Amro Hussam Eldin Yousif Suliman Kirkisawi** has been employed at the Sudan Civil Aviation Authority (SCAA) within the Aviation Medicine Department since 2018, serving as a Designated Aviation Medical Examiner (AME) under registration number AME/007.

Throughout his tenure, Dr. Kirkisawi has demonstrated outstanding professionalism, integrity, and commitment in conducting aviation medical examinations for pilots, air traffic controllers, and other licensed aviation personnel, ensuring full compliance with ICAO Annex 1 medical standards and national aviation medical regulations.

In 2023 to the present date, he was appointed as an Aviation Medicine Assessor and subsequently as the Head of the Aviation Medicine Department, where he assumed key regulatory and oversight responsibilities, including the supervision and accreditation of Aviation Medical Examiners, evaluation of medical fitness standards, and development of policies and procedures aligned with international best practices.

He has successfully fulfilled all assigned duties and responsibilities as outlined in the Aviation Medicine Directorate framework, including but not limited to:

- * Conducting and certifying medical assessments for pilots, air traffic controllers, and aviation personnel.
- * Reviewing and approving aviation medical examination reports in compliance with ICAO standards.
- * Providing medical advisory services to licensing and flight safety departments.
- * Monitoring and auditing Aviation Medical Examiners (AMEs) to ensure adherence to national and international standards.
- * Developing and updating aviation medical policies, procedures, and digital certification systems.
